

FUND A NEED HOLE

F

Fundraising at golf events can be tricky both before and after the tournament. Participants are rushing to register and get to their carts or after golf they are tired and ready to go home. The “Fund A Need Hole” is an efficient fundraising opportunity at the hole. Participants have the ability to interact with leaders from the organization and learn where their money is going. In addition, the amount of money golfers donate at the hole can improve their score as a team and/or win them chances for great prizes. You will work with our team at 19th Hole GP leading up to the event on how to best implement the hole effectively. Day of the event, there will be a 19th Hole GP staff member at the tee box to help sell the fundraising packages, set up the signage and monitor the hole. Typically the program is set up on a par 5, but can also be on a par 4. Our team does not take percentages from your profits raised at the hole, rather we charge a flat fee to cover our staff fee/ time.

Follow steps 1-5 to understand the program!

5

Hole In One - This would be the largest amount of money donated by the group. They would simply get a 1 on their scorecard. They can play the hole if they want to or move to the next hole.

PLAYER PACKAGES

No more nickel and dimming on the course to raise funds! We make your day of fundraising easy and efficient with our "19th Hole GP Players Package" program. Whether you are a non-profit trying to raise funds in a unique way or a corporation adding on a fundraising charity component, this tool will help you reach your goals.. Our team of professionals will help you customize your card, price, offerings, and support your event with sales of the program.

STEP 1

Pick one of the four scratch off game cards. Each card offers unique and fun scratch off opportunities that either 19th Hole GP can provide prizes for or that you can substitute prizes towards. Day of the event we will supply you with the card customized for your event and a wrist band for each person that purchases the card.

STEP 2

Your card is fully customizable! On the back of the card you can include mulligans, prizes, coupons, and entry into all the games and contests (pre-golf event and on course). 19th Hole GP includes hole-in-one shoot outs for up to 1-2 lucky winners! (note: that over \$100,000 in funds for each shot will be an additional charge).

STEP 3

You are welcome to use multiple cards for the day of your fundraising. One card for example can be used for pre-registration and day of registration. Another card can be used for on-course fundraising or as additional purchase at registration (ie. in place of a raffle or up sell opportunity). We recommend the "Golden Ticket" as the additional card.

STEP 4

We partner with many companies on securing arrival gifts for your needs. One of the features for our packages is the ability to add-on a arrival gift for every package sold at point of purchase. We can customize the gift for you! We recommend a (3) pack ball of sleeve with your logo or ball marker.

PLAYERS PACKAGES

SPIN TO WIN

NEW

"The Spin To Win" is a fun game with multiple ways to win. This card features 2 seperate scratch off locations. Golfers will scratch off the wheel first at a chance for a prize. The players will then srtach off the bonus circles for a chance of the grand prize!

LONGEST DRIVE/CLOSEST TO THE PIN

"The Players Card" is a longest drive and closet to the pin contest. Golfers will scratch off all three squares. The golfer that scratches off the longest driver is a winner. A second golfer that scratches off the closest to the pin is also a winner.

GOLDEN TICKET

"The Golden Ticket" is a new and fun activation to get the golfers involved. Golfers will scratch off two squares. There are 3 ways golfers can win a prize. One way is to uncover one golden 19th hole logo. Another way is uncover two golden 19th Hole Logos. If a player uncovers two Golden 19th Hole Logos, he then proceeds to his golf cart to see if there is a golden token. If a golden token is found he winds the grand prize!
